

iSummerMX 2019 - Summer Programs an der Tec de Monterrey

iSummerMX encompasses a set of innovative Summer programs that have been carefully designed for international students. This distinctive approach aims to improve students' competitiveness by developing the competencies required to face the challenges and opportunities of the 21st century. iSummerMX provides students the wonderful opportunity to learn in a unique and innovative way, through high-class and dynamic sessions, hands-on activities and vivid cultural experiences throughout the country. It also offers the chance to explore Mexico, allowing students to travel, live and study in different parts of the country. iSummerMX programs run from July 1st to July 26th, 2019, and include two courses taught in English. Here are the program's brochures for next year: Aeronautics: <https://studyinmexico.tec.mx/academic-offer/aeronautics> Culture and Identity: <https://studyinmexico.tec.mx/academic-offer/culture-identity> Global Business: <https://studyinmexico.tec.mx/academic-offer/business> Marketing: <https://studyinmexico.tec.mx/academic-offer/marketing> Please visit our website for further details on any of the programs. Needless to say, the staff members at Tecnológico de Monterrey ensure a vibrant and safe learning environment; during the program journey students will also be guided by professors and professionals with a lot of expertise.
